

FOREMAN TRAINING

We're excited to offer IMTEF's popular foreperson training class at your local training center! Whether you're interested in becoming a foreperson, new to the job, or ready to take your leadership skills to the next level, this class is for you.

THE PROGRAM

FOREPERSON TRAINING

Develop the skills you need to successfully run work on today's job sites. We'll cover a variety of topics, including:

- Roles and responsibilities of a foreperson
- Effective communication, team development, and worker motivation
- Maintaining labor-management relations
- Planning and scheduling work
- Ensuring worker safety and productivity
- Quality standards and specifications

You'll also have the chance to work on fun real-world exercises with other BAC members to prepare you for the realities of managing complex projects.

FOUNDATIONS FOR SAFETY AND LEADERSHIP

Learn how to model the 5 safety leadership skills that are critical for any foreperson on the job:

- Leading by example
- Engaging and empowering team members
- Actively listening and practicing 3-way communication
- Developing team members through teaching, coaching, and feedback
- Recognizing team members for a job well done

Join us to take your leadership skills to the next level!
